

REPRESENTATIVE DRIEHAUS WELCOMES HHS GRANT FOR CHILDREN'S HOSPITAL

WASHINGTON, DC—Representative Steve Driehaus today welcomed an announcement by the U.S. Department of Health and Human Services (HHS) of an award of \$344,173 for Children's Hospital Medical Center.

"Children's Hospital is a leader in medical research and a true asset to greater Cincinnati. This investment will provide the support needed for this research project and will help Children's Hospital continue its important work," said Rep. Driehaus.

This grant will support a project entitled "Expression and Function of the Guanylin Ligand Family," and will be directed by Dr. Mitchell B. Cohen. Dr. Cohen is Vice-Chair of Pediatrics for Clinical Affairs and Director of the Gastroenterology, Hepatology & Nutrition division at Children's Hospital Medical Center.
